In this paper, you need to tell the selection committee why you would like to go to the HOBY seminar weekend (June 24-26, 2016 at Drake University in Des Moines), what you hope to gain from it, and how you will use the information after you return to FC.

You should:

- Tell us about your leadership
- Tell us your plans for using the skills you are taught

You shouldn't:

- Put your name or any identifying statements about who you are in the body of the paper

Type your paper on GoogleDocs and then share the paper with me (eharms@forestcity.k12.ia.us). Be sure to use spell check and have someone proofread your paper.
